

To schedule a DMV appointment to obtain your Virginia license:

On dmvNOW.com, you will see an option under **Online Services** to “Make an Appointment.”

Select “Make an Appointment.”

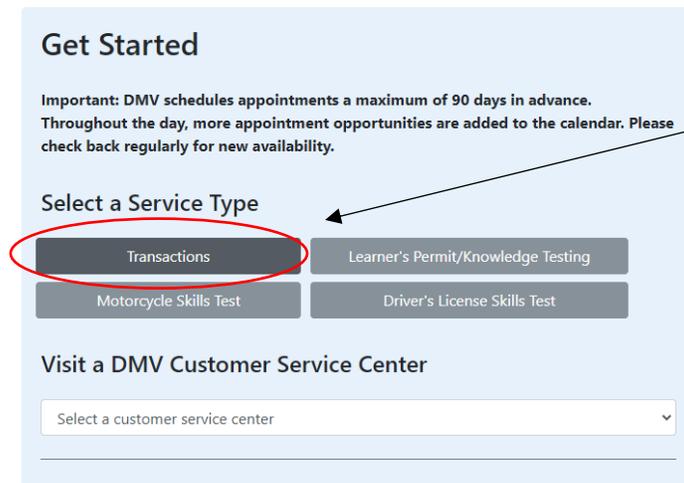

You will then go to the **Schedule an Appointment** page. Select the service type “Transactions.”

Schedule an Appointment

Need in-person service for a DMV transaction you can't get online or by mail? DMV is now offering specific services by appointment only at many locations. More offices will be opened in coming weeks.

VISIT A DMV CUSTOMER SERVICE CENTER: To schedule an appointment at a DMV customer service center, select a "service type" and then select which office you'd like to visit from the menu to the right. On the next page, you'll be prompted to select a specific service and make an appointment for a specific date and time.

VISIT A DMV SELECT: Need a vehicle transaction? A DMV Select can help! DMV partners with local governments and private entities to provide mostly vehicle transactions, such as titles, registrations, license plates and more, to customers. Many DMV Select offices are back open and some are scheduling appointments on their own websites. To find a location near you, visit dmvNOW.com/select. Please click on the individual office's webpage to ensure it is open and to read any important operating information, including whether the office requires appointments.

Get Started

Important: DMV schedules appointments a maximum of 90 days in advance. Throughout the day, more appointment opportunities are added to the calendar. Please check back regularly for new availability.

Please click on the individual office's webpage to ensure it is open and to read any important operating information, including whether the office requires appointments.

VISIT A FULL-SERVICE E-ZPASS OFFICE AT DMV: Two DMV customer service centers offer full E-ZPass customer service by appointment for customers who need to conduct business in person. However, customers are encouraged to visit ezpassva.com to conduct their transaction online. Customers can order a transponder, add money to their account and manage their account completely online.

VISIT DMV CONNECT: DMV Connect is made up of portable service teams that travel the state to provide convenient service at locations such as libraries, government centers, colleges and military bases. To schedule an appointment with DMV Connect, select an upcoming mobile location near you. DMV Connect locations change regularly and the calendar is constantly being updated. DMV Connect cannot conduct learner's permit or other testing, vital records transactions, and HAZMAT fingerprinting. You can complete a titling transaction with DMV Connect, but your title will arrive by mail in 14 days.

The health and well-being of our customers and employees are of the utmost importance to us. For information on the measures DMV has put in place to serve you safely, visit dmvNOW.com/reopening.
